Dine at Knockinaam Lodge

Our guests delight at our homemade produce, from the delicious jams and freshly baked muffins at breakfast, to the exquisite petit fours that round off your evening meal.

We strongly believe that a relaxed dining environment is key to enjoying a delicious meal. At Knockinaam Lodge, the peaceful elegance of our candlelit restaurant lends itself perfectly to the intimate dining atmosphere that so many of our guests enjoy.

Our award-winning chef uses a range of fantastic seasonal ingredients, to create a menu that allows the flavours to speak for themselves. We source all of our food from local suppliers, and even grow some of our own ingredients, when the seasons allow, in our vegetable garden. Throughout the year, you just have to step out of the front door to forage from the beach cove to find inspiration.

Savour informal dining at its very best and enjoy a pre-dinner drink in the bar while perusing our delightful tasting menu. A range of delicious wines from our extensive wine list can complement all of our skilfully crafted food.

Following dinner, we invite you to relax in one of our comfortable lounges with an after-dinner coffee, and possibly a Scottish malt or two...

“Dine in the gentle ambience of soothing charm with the feeling of being amongst friends.”
